— INTEGRITY CONSULTING × INTERNATIONAL CIVIL SOCIETY CENTRE

Alternative financing, resourcing — *and localisation.*

Commissioned by the International Civil Society Centre, Integrity Consulting has drafted a white paper on alternative financing, resourcing and localisation. The paper is now with ICSC for editing, and will be published under the Centre's own imprint.

— THE DATA STORY IS ALREADY LIVE

A decade after the Grand Bargain — *who actually receives the money?*

While the white paper is finalised, its companion is open to everyone: a PRISM In Focus edition on the localisation of humanitarian aid, built by Integrity Consulting as a complementary deliverable.
